HOSPITAL ADMISSIONS

Due to privacy issues the Hospital is not allowed to provide clergy with the names and Religious affiliations of their patients. If you wish to receive a pastoral visit it is up to you as a patient or family member to contact the Parish and Father Ozug

DO YOU OFTEN ASK YOURSELF,

“what can I give in return for all the blessings God has given to me and my loved ones?” Is there something missing in your day? Would you like to bring joy to an elder? Please consider assisting the residents to and from the chapel for

the recitation of the Rosary and attendance at Mass at the **Sacred Heart Nursing Home**, 359 Summer Street, New Bedford. Please call Sr. Dorothy Scesny, PBVM, Director of Pastoral Care at (508) 996-6751.

IMPORTANT NOTICE REGARDING PARISH REGISTRATION

– For many different reasons many parishioners are asking us to confirm that they belong to Our Lady of Fatima parish. This is sometimes difficult if the people are not registered with the parish and are in need of a Sponsor Certificate. The very minimum requirement would be that the person in question is registered as a parishioner and has been attending Mass here at Our Lady of Fatima for a few months. If you are coming to Our Lady of Fatima and have not registered, are not sure whether you are registered, you have not received any mailings from the parish, or have changed your address recently, please give the parish office a call and verify your registration. Please don’t wait until you are asked to be a Sponsor for Confirmation or a godparent for a Baptism to register.

DIRECTIONS FOR OUR TIMES

Heaven Speaks Booklet display case is located in the back of the church. These messages, now in book form, were given to Anne, a lay apostle, through a process known as interior locution. Many who read these books are discovering a renewal of faith and love that is changing their lives forever. It is a change in direct line with God's plan, implemented in one soul at a time. As you experience graces, the wisdom, and the direction in these volumes understand that God is moving us from an Age of Disobedience to an Age of indeed Obedience. Jesus is indeed returning, and in these initial stages, He returns through you and through others. This process is profound in its scope and divine in its origin. For more information and other available books from Anne, a lay apostle visit directionforourtimes.com.

THE NEW BEDFORD BABY PROJECT

St. Anthony's Church is one of the main sites of distribution every Thursday at noon. They gladly receive donations of good condition baby and children's clothing, maternity clothing, strollers, baby items, children's books etc. Please use the Nye Street entrance to bring in your donations to St. Anthony's on Thursday mornings from 9:30 A.M. to 12:00 P.M. For more information please call Diane Bolton at 508-994-8421. If you would like to make a cash donation, please make your check payable to The Baby Project and mail to: The Baby Project, c/o Diane Bolton, 60 Orchard Street, New Bedford, MA 02740.

ANOINTING OF THE SICK

It is not possible for one always to be in the rectory awaiting emergency calls for the anointing of the sick. For this reason, please do not wait to the "last second" to call us if you or a loved one is in danger of death due to illness or old age and needs this great and powerful sacrament. As a general rule, please call as soon as hospice arrives or before major surgery. If you are at St. Luke's hospital, please make sure, upon check in, that you list yourself as a Catholic and say that you wish to be visited by the chaplain. I would be grateful, as well, if a family member might call the rectory to let me know you're there, as, under new federal regulations, I may not learn you're there otherwise. This is also true if you are transferred to a Rehabilitation Center or Nursing Facility.

A Gentle Reminder!

Think of our beautiful church building as your home. Just as you always want your home to be ready to welcome guests and visitors, please be conscious of picking up after you and your family at the end of Mass, readying the church for others. Replace the hymnals in the bookracks attached to the backs of the pews. Don't leave trash in the pews. Following these simple guidelines, we all make the church ready to welcome others for worship. Thanks for your help!

HOSPITAL ADMISSIONS

Due to privacy issues the Hospital is not allowed to provide clergy with the names and Religious affiliations of their patients. If you wish to receive a pastoral visit it is up to you as a patient or family member to contact the Parish and Father Ozug.

SPONSOR CERTIFICATES

It is always an honor when parents ask a Catholic friend or family member to be a baptismal godparent or a young person preparing for confirmation asks someone to whom he or she looks up to be a Confirmation sponsor. To serve in this role, which is both a great honor and responsibility, the proposed godparent or sponsor must receive a certificate from his or her pastor pronouncing that that person is qualified. The sponsor certificate is the person's pastor's word to other priests that a proposed sponsor is a fully-initiated, confirmed Catholic, practices the faith each week by coming to Sunday Mass, is registered and supports his or her parish Church, and lives (as far as the priest can know) according to the moral teachings of Jesus Christ. When people come to me for such certificates, on many occasions, it is very easy for me to do so, because I see them at Mass each week, they come to greet me after Mass, they sit up front, they are involved in parish activities, etc. On other occasions, I do not recognize them, but I can quickly verify through the use of budget envelopes that they are here each week. But sometimes people come whom I do not recognize and whose attendance I cannot verify through budget envelopes or

other means. On those occasions, I cannot honestly give them sponsor certificates, in the same way that I cannot give letters of recommendation to strangers. I cannot give my word to another priest that a particular person comes to Mass each week unless I see the person present at Mass or witness the evidence of it in the budget envelopes. Therefore, I ask you to help me help you, in case you are ever given the privilege of being a godparent. Please make sure you are a registered parishioner. Please consider using budget envelopes. And please come to introduce yourself to me after Mass every once in a while. I would never want not to be able to give you a sponsor certificate!
